

Paul Henke Newsletter - Christmas 2015

We have had another busy year. The main event was the paperback publication of ANARCHY – the new TIFAT adventure. *Paul's hero Nick Hunter is up to his neck in trouble. He's on his own and a simple job has gone wrong. Hunter finds himself up against a UK criminal boss as well as a foreign General with political ambitions. Gripping and page turning as always.*

We have had some great reviews and feedback from readers so thanks again – it is much appreciated. As always Paul has been travelling all over the country, out and about meeting readers at summer shows. At the moment he is busy attending Christmas Fayres and events. Details are on www.henke.co.uk.

Getting to grips with Social Media has been a challenge so thanks to everyone who has “liked”, “shared” and “retweeted”. We have decided to have a bit of fun with the following:

COMPETITION: We are running a FACEBOOK competition for the opportunity to name a character in Paul's new book. If you win you can choose whether this is you or someone else and also whether this character will be a hero or a villain. So providing the number of likes on the PAUL HENKE (AUTHOR) page doubles then we will draw one person from the total number of likes on the 20th December. So please “like” and “share” and your name could be a character in the new book!! Just go to www.facebook.com/paulhenkeauthor/ and select LIKE. If you don't have Facebook why not ask a

family member to do this on your behalf? And if that is not possible just drop us a line and we will add your name into the draw.

CHRISTMAS OFFERS: We are offering all five Tears books for £30 plus £6 P&P as a great Christmas gift – signed and personalised of course. A second offer is the Trilogy of the first 3 books for just £18 plus £4 P&P. As always we are happy to gift wrap and send direct to the recipient.

PLUS we now have [A MILLION TEAR bone china MUGS](#) for only £7.50 plus p&p – will make great presents for “tears” fans.

E-books

The reviews on Kindle have been fantastic and have helped enormously with our Kindle sales. It is exciting to see people discovering they can have a new author at the “click of a mouse”. So thanks again for sharing and forwarding details of our promotions – and thanks also to those who have entered their comments on Amazon.

2016

Paul has been finishing his latest book. This sees Richard Griffiths getting embroiled in the murky world of politicians. Think of a cross between House of Cards and Vince Flynn's Act of Treason. It makes for intriguing and compelling reading. Due out in the Spring.
